biography.

Bao Chau Nguyen is a trained physiotherapist with specialization courses in back training, lymph drainage and Bobath therapy for neurological and neuromuscular diseases. Since 2002 Bao Chau aka Chau-lin is a dancer representing Team Combo and Tru Cru on the international stage at the highest level.

Due to his intensive dance career Chau had numerous injuries. Out of the desire to gain the knowledge to help himself and all other dancers, he became a physiotherapist. In 2019 Chau became part of the HE4DS project. His goal is to educate dancers in health worldwide and his focus is on High Performance and Competitive Dancing.
